- 1. Qust začíná v Dionu v Chrámu u Bard Rukal, ten tě pošle za Parina do Gludin Village a dá

ti 122 dimensional diamonds.

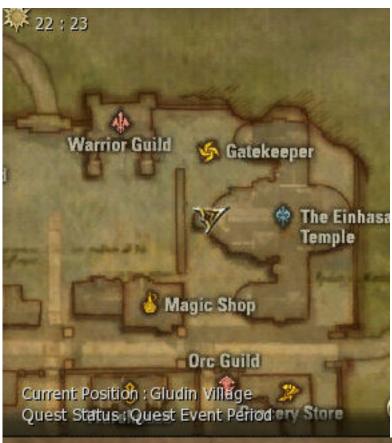

Chat Bard Rukal: Very well. Listen to my story, youngster. Blissful slumber escapes me night after night. In the quiet darkness, I am haunted by a strange melody that reaches my ears, a music that can only be heard by those who have mastered elemental magic. Low-pitched and subtle, it nevertheless grates upon my sensitive nerves. Humans cannot make this kind of otherworldy melody, I am convinced, and it is certainly not a magician's aria. Your task is to find the source of this ominous sound. To begin your investigation, visit Parina from the temple in Gludin Town. A master of elemental magic, perhaps he knows something about this eerie nighttime melody. I must be able to sleep! Show him this letter and I am sure that he will help you. Oh, and take this Dimension Diamond. You can trade it to the village gatekeeper for something

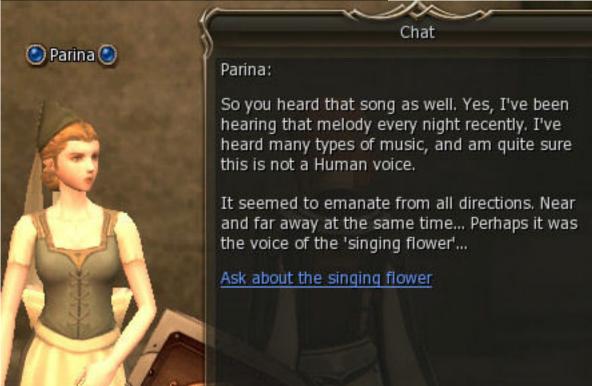

special that may help you on your journey.

You have earned 122 Dimensional Diamond(s).

You have earned Rukal's Letter.

Elder Casian:

The singing flowers are said to bloom near waterfalls or lakes, and seduce passersby with their beautiful voice. Different kinds of singing flowers will never bloom close to each other.

Parina, Rukal and I searched for them and managed to agree on a few places. We are sure the flowers may be found near the Fellmere Lake in Gludio, the waterfalls near the Ivory Tower of Oren, and somewhere in the southern part of the Town of Giran.

Got that? The flowers bloom near water. You must look in the 3 places I mentioned, especially near water. You must be very careful because the singing flowers all possess small amounts of poison... Take this amulet with you, it will help.

You have earned Lilac Charm.

Bard Rukal:

You must collect the 4 tones that correspond to the 4 elements in order to create an Absolute Tone.

To obtain the Note of Water You must visit the Water Undine, a water spirit who lives in Fellmere Lake... It is located northwest of Gludin, north of the Abandoned Camp.

To obtain the Note of Fire you must seek the Flame Salamander. Lizard spirits such as this salamander are formed with the power of flame. They can be found in the Ruins of Despair, south of the Town of Gludio.

To locate the Note of Wind you must meet the Wind Sylph. She is on the northwest side of the 3 entrances to the Wastelands of Gludio.

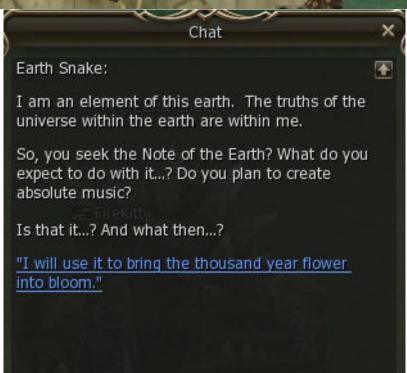

Last, the Note of Earth can be obtained from the Earth Snake. He is in the Ruins of Agony, on the north side of the Town of Gludio.

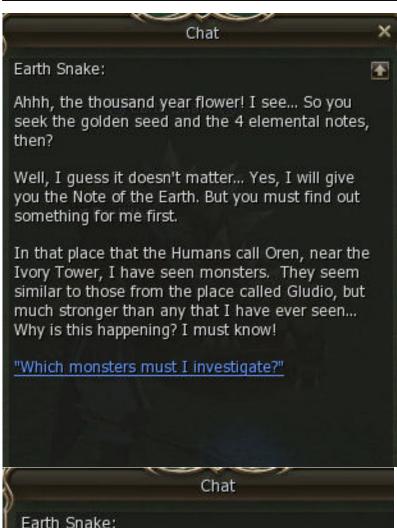

I will give you a musical book in which to put the 4 notes. When you have found them all return the book to me.
